of Long Term Care  
Administrator Boards**

# Guardian Pharmacy On Line Education

## Example Courses Over 120 Available

### ***Delivering Knock Your Socks Off Service - 5 CEU's and NAB/NCERS Approval***

This course offers a fresh approach to the challenges of providing outstanding customer service. Delivering Knock Your Socks Off Service provides proven tips and strategies for meeting customers' expectations and satisfying their needs, becoming easier to do business with, determining the right times to bend or break the rules, becoming fantastic fixers and powerful problem-solvers, coping effectively with “difficult” customers, and communicating effectively with coworkers across functions in other departments.

### ***Dementia Care - 5 CEU's***

The book begins with an overview of the clinical characteristics of the many diseases causing dementia. How the signs of dementia can be recognized. An important chapter of this book informs caregivers on how to understand behavior problems and how to devise care that minimizes or prevents them.

### ***Medication Errors – 5 CEU's***

This study guide provides proper knowledge on why arising nursing home staff should be more cautious on dispensing medications. Dispensing of improper medications can be very harmful to the patient and can be extremely harmful to the patient and can easily give the facility a bad reputation. In addition the study guide provides excellent questions to ask the doctor if a loved one needs advice on new medications, or how to spot inappropriate medication use.

### ***Elder Abuse - 2 CEU's***

We will explore the hidden nature of elder mistreatment. Other forms of domestic abuse, such as child abuse and neglect, and spousal abuse, have been recognized for over 30 years, but it is within only the last 15 years that the mistreatment of elderly family members has come to the attention of the public and professional groups. You will read about a combination of physical and financial abuse and medical neglect.

# Value Add

## Pharmacy Value Add

- Nurse Account management time spent more efficiently.
- Pharmacy perceived as more than a provider but a true value
  - Marketing tool for new and prospective customers.

## Facility Value Add

- Student takes CEU program on personal time.
- Facility can offer program as benefit to employees.
- Employees better equipped to care for residents and manage staff.

- Click on [www.guardianpharmacyceus.com](http://www.guardianpharmacyceus.com)
- Fill in new user information.
- Contact Local Administrator for user code.
- Take courses.
- Same User info each time to take course.

# Common Questions and Answers

- **How long does it take to receive my Certificate of Completion?**  
Your answer sheet is graded by the computer immediately. When you pass the test, professional looking accredited certificates of completion can be printed out immediately.
- **Do I need to take an exam after reading a course?**  
Yes. Each course has a 10 to 50-question test, (depending on the amount of credit unit hours required), consisting of multiple choice and true/false questions.
- **What is a passing grade for an exam?**  
You must pass the test with a score of 70% or better. For Example: you must get 14 of the 20 questions correct. Students that do not receive a passing score are eligible for re-testing at no charge until a passing score is achieved.
- **What kind of certification do I receive?**  
After you successfully pass the test, (70% correct answers), you can immediately print your course certificate, which shows your name, license number, approval number, number of CEU-hours completed and the course title.
- **How do I know if your courses are accepted in my state?**  
If you are unsure if your state licensing board accepts our pre-approved courses, please contact your board directly. It is always the student's responsibility to know the requirements of their state's board.
- **Some of my personal information on the course material I received is incorrect. How do I correct it?**  
Please update any incorrect personal information by using the "contact us" page of this site.
- **What is the course format?**  
Our courses consist of a Course Study Guide, a Pre-Test, a Final Test, and a Certificate of Completion.
- **Do I need to mail my order to you?**  
No. We will receive an e-mail after you join and sign up, and your account will be activated immediately.
- **How long does it take to receive my course(s)?**  
You will immediately receive an email link that will take you directly to the Course Study Guide, Pre-Test and Final Test that you choose. You can start an online course, take a break, and come back at your leisure to finish the course. You can review our online CEU courses and retake the test as many times as you need to receive a passing grade.
- It is our mission at [GuardianPharmacyceus.com](http://GuardianPharmacyceus.com) to provide you with convenient, affordable online CEUs.
