Customer/Resident Name:

MEDICATION DISPOSITION SHEET

Instructions: Use this form to record the disposition, destruction and/or return of medications to the pharmacy. An entry is required for each medication along with reason for disposition (see key below), and signature of person completing form and witness(es) (refer to facility policy). Keep the completed and signed form with the medications for return to the pharmacy (store in secure area until picked up). Once the pharmacy representative has signed this form and picked up the returned medications, retain the pink copy for center records and store **per facility policy**.

Form # MP5214 (Rev. 03/09)
